PROFESSIONAL EXPERIENCE

Professional Media Projects at Loyola:

Chicago Prairie Tennis Club, Chicago, IL (January 2026 – May 2026)

- Produced and edited a three-episode series that focused on the history, decline, and revitalization of African American tennis in Chicago. This project was nominated for a Student Emmy.
- Captured live footage of group practices and lessons ran by past Chicago Prairie members and associates.
- Interviewed key individuals who are knowledgeable about the history and decline of African American tennis culture in Chicago.
- Collected data on the amount of active African American tennis players in the Chicago area through the USTA.

XS Tennis and Education Foundation, Chicago, IL (August 2025 – December 2025)

- Produced a short-form video about Kamau Murray and the impact of his indoor tennis facility.
- Captured live footage of the programs and group lessons XS Tennis has to offer.
- Utilized effective archival footage of Kamau throughout his pro coaching career.
- I interviewed Kamau and gathered important details about his tennis origins.

Shedd Aquarium, Chicago, IL (May 2025 – August 2025)

- Produced a short-form video about Donald Austin, volunteer diver at the aquarium.
- Captured live footage of aquatic exhibits the aquarium offers.
- I interviewed Donald and gathered important details about the importance of the Shedd Aquarium.

Work Experience:

Chicago Prairie Tennis Club, Chicago, IL — *Receptionist/Tennis Coach* (June 2026 – October 2026)

- Manage and monitor outstanding payments for tennis lessons, court rentals, and group play to maintain accurate financial records and minimize revenue loss.
- Provide front-desk support and customer service, helping ensure smooth daily club operations and a positive member experience.
- Serve as a tennis coach and practice partner, leveraging competitive playing experience to support the members' skill development.
- Support club operations through adaptability, attention to detail, and ensuring member satisfaction both on and off the court.

Delta Institute, Chicago, IL — *Environmental Consultant Intern* (May 2024 – August 2024)

- Assisted in writing a grant proposal on increasing tree canopies in Lake County and Northwestern Indiana (Hammond and East Chicago).
- Developed a census tract and EJ Screen for both East Chicago and Hammond Indiana.
- Collaborated with co-workers on a brand assessment for a website that focused on helping small to mid-sized municipalities in the Great Lakes Basin to plan, develop, and support green infrastructure projects.
- Researched diverse shipping ports to help the ports on the southeast side of Chicago and the Great Lake Ports incorporate community engagement and sustainability initiatives.
